Because of the size of Jackson, there are many jobs done every day that go unnoticed. The people who perform these jobs do not always receive the credit they deserve.

Thanks to the custodians, bus drivers, and cafeteria workers, necessary services are provided every day. We depend on you to keep our school clean, to get us there every day, and to prepare our meals, but we never take the opportunity to show our appreciation

Many thanks to the cafeteria monitors and parking lot attendants, also.

CAFETERIA WORKERS: **1st Row** — Diane Elliot, Charlotte Brown, Margaret Reichenbach, Sandy Riffle, Pat Briggs, Donna Leighley, Evelyn Morris, Emily Blair, Betty Bachman. **2nd Row** — Ida Bohnemann, Vonnie Schworm, Betty Lorenz, Betty Lightbody, Carolyn Durbin, Bonnie Bennett, Maureen Haffner, Sandy Forrer, Marian Olnhausen, Vicki Gibbs, Nancy VanVelson.

"What? Where am I?"

CLASS EDITORS: **Row 1** — Kay Yarborough, Barb Holland, Laura Weisgarber. **Row 2** — Cathy Suttle, Traci Moll, Photographer, and Paula Letjekides.

Charlie said "OOPS," when she fell off the fence as we took her picture for the yearbook staff.

The yearbook provides first-hand experience for the high school student in the fields of salesmanship, advertising, business management, photojournalism, and artistic design.

The job of publishing the "Scoop" began last May and continued throughout the summer and this school year. Since the book depends heavily upon its advertisers, everyone on the staff becomes a salesman. Each student is responsible for a particular section of the book and is chosen for ability. As our book is primarily a picture book, the photographer is a very central person, too.

This year's "Scoop" is the culmination of a full twelve months' work. Therefore, the yearbook staff is proud to say that its members are of the highest caliber found at Jackson.

The club also took a trip to the planetarium and had a Science Field Day at the end of the year.

THE PURPLE PLAGUE

"My most enjoyable year in coaching" was the way Coach McDonald summed up the 1980 Football Season.

We had an extremely well-rounded group of individuals that made up what they lacked in experience by working hard and being very enthusiastic. Most people expected us to win two or three games, but our players proved otherwise.

Our Seniors were dedicated, showed tremendous desire and at the same time had fun. It is going to be quite a challenge for our underclassmen to attempt to fill their shoes.

Some of this year's highlights include having the most players ever out for a Jackson Football Team, giving a lot of people the chance to play (22 different starters), having a winning season, and tying for the second-best record at Jackson in the last 15 years.

Seniors Michele Tarr and Sue Moon played 1st and 3rd singles respectively, while other Senior members of the Varsity squad were Charlie Bush and Cindy Belcher in doubles.

Named to the All-Federal League team were Michele Tarr, Beth Zink, and Sue Moon. Tarr and Zink combined as doubles partners to win the sectionals and districts titles, qualifying them for State. Freshman Sue Maurer won the sectional title, qualifying her for districts.

Other Senior members of the team included: Amy Forsythe, Leigh Kurlinski, and Tara Guist. Although coach Ruth Kromer will lose all of these girls to graduation, she is looking forward to next year's team to carry on the Federal League title.

THE HARRIERS

The Jackson Boys Cross-Country team was one of the most improved teams in the county over last year, improving from a 4-12 record last year to a record of 12 wins and 3 losses this year. The team's Federal League record was 5-1, finishing second in the Federal League.

The Boys Team was led by Sophomore standout Rob Tyler. Rob placed fifth in the Stark County Championships and was named to both the All Federal League Team and All County Team.

The highlight of the Boys Cross-Country season was qualifying for the district championships by placing fourth at the sectional meet. The team then competed in the district meet placing twelfth and proving to be one of the top twenty teams in Northeast Ohio. After a very successful season this year and six lettermen returning next year, the Bears are looking at a promising future in Cross-Country.

The Jackson Girls Cross-Country Team had a very successful season in their first year of existence. The girls dual meet record was 2-0 since many teams that were scheduled turned out without a full team.

Jackson had many fine individuals including two All-County selections. Senior Julie Hawk began the year strong placing 6th at the Dover Invitational and was County Champion. She ended up a member of the Stark County Team.

Also leading the women Bears was Laura Maher and Colleen Funk. Laura was a first-round choice for the All-County selection, and Colleen missed being a member of the All-County Team by one.

The Girls Cross-Country Team will have six returning letter-winners next year, so their season looks very bright.

SOCCER, THE SPORT OF THE FUTURE

This year the Jackson Soccer team had no superstars. What we had was a sound and balanced team which can be seen in our season record — 4 wins, 7 losses, 4 ties.

One important aspect of our team was that they made up for their lack of refined skill in their give-all attitude on the field.

Two players who are deserving of special recognitions are the two captains, Rick Banal and Eric Sheetz. Both Rick and Eric were strong leaders on and off the field, as well as two of the best athletes Jackson High School could ever hope to have.

The Most Valuable Player Award went to Rick Banal. The Jaycee Sportsmanship Award went to Eric Scheetz.

NEW WRESTLING STRATEGY GAVE A SUCCESSFUL SEASON

The "Bear" wrestlers, under new Head Coach Dave Brubach and led by six outstanding senior performances, fought their way through a tough schedule to post a fine overall season record of 16 wins and 2 losses.

In Federal League competition, the matmen made a strong showing finishing second with a 5-1 mark. Highlighting the successful season were four tournament championships including the Massillon, Marietta, Perry and Jackson's own Christmas tournament.

In Sectional Tournament competition, the grapplers turned in a solid effort as they finished second in a field of 13 teams and qualified eight wrestlers to the District Finals. Leading the Sectional scoring were Sr. Glen Bostrom and Soph. Dan Funk who won Sectional Championships.

THE PURPLE PIT!

The 1980-81 Basketball Bears can be remembered as a successful team in many ways. Each team member had his own specific role to carry out. The team itself accomplished many goals which it set set at the beginning of the season.

One of these goals was to have the coaching staff, Mr. Brown, Mr. Taylor, and Mrs. Arnzen, state that this year's squad was the hardest working team that they've ever coached. That goal through hard work and hustle, was attained. The Bears, with an 11-9 regular season record posted the first winning season at Jackson in 12 years.

The backbone of this year's squad was a group of seven young men known as the Seniors. Their leadership and willingness to learn has set a standard of prosperity and hopefully, a tradition.

NO "SLACKS" ON THE SWIM TEAM

Swimming together, but separate coaches and records, did not stop the girls and boys swim teams from another victorious season. The coaches, once again, were Betty Kakos, girls coach; and Dan Argenas, boys coach.

With a great outcome at Districts from both teams, there came only one qualifier for state, Mark Eschilman who was District Champion in diving and placed 7th at State.

Co-captains, Cindy Svab and Kerry Simonson, for the girls, and Kenny Kempthorne and Tom Morrison, for the boys, played a very important role in keeping the team together.

The boys and girls teams together appreciate the help and support given to them throughout the season.

To the entire school we leave this book as memory of 1981. This book was compiled by a hard-working annual staff, and we apologize for any incorrections that have been included in the book.

It was a great honor to be a member of the annual staff, and the experiences we have had have been ones that we will never forget. We thank Mrs. Haer for giving her time and effort to the completion of this book.

We hope that everyone enjoys the '81 edition of the SCOOP.

People say the present and future
are mirrored in the past.

Therefore, memories become
hope and realities.

Thinking of people and things,
loved in the past, will bring new
inspirations of what lies ahead
of us in the future.

Waiting, somewhere to be born again.

Keep your cherished memories
close, and when the awaited
day comes, those memories
will help you recognize the

face in the mirror.

Louis.

To a very sweet, cute, lovable, funny guy I met this year in Math. To a guy who helped me out alot are everything. To a guy who is a total fox in his white pants and nikes. I thank you for listening to me when I really needed someone to talk to, really I thank you for everything. You've done alot for me. I think you are intelligent at all you do (don't take it wrong.) and you can be a real comedian when you want to be. I remember when you used to pick on alot of people in Math and I couldn't stop laughing. I remember when I got in trouble for laughing too. We have to do stuff in the summer or at least keep in touch by phone. You are a Great person, you are my (sorry) friend. And I'm glad I'm yours too. I love you as a best friend and don't you forget it, And don't you ever forget me. I hope I see you this summer and if not next year. But, I would like to see you on vacation (in the summer). I know I'm gonna miss you, who are I gonna laugh with? You take care!
